

### FLOOD PSA - 3

This year's major snow and ice storm in Western Kansas reminded us just how dangerous Kansas weather gets. Now spring storm season is here and it's time *all* of us began preparing for flooding.

I'm Major General Tod Bunting, Adjutant General and Director of Kansas Emergency Management, reminding you to plan ahead. First, have an emergency kit with food, water and medicine in your home and car, never drive into flooded areas, keep a full tank of gas in case you need to evacuate, and finally, know exactly what your flood insurance policy covers.

**Announcer:** A message from Kansas Emergency Management. Paid for with taxes or public funds.
